CASS R-8 FLAGSHIP CONFERENCE

ICECS is an international conference dedicated to circuits and systems, held annually in Region 8. The 25th edition will take place in Bordeaux, France, the world famous wine region. The scope of the conference includes technical sessions, tutorials and special sessions, as well as outstanding social events.

The best papers will be invited to resubmit an extended version to be considered for publication at the IEEE Transactions on Circuits and Systems I (IEEE TCAS I).

- Analog/mixed-signal circuits
- Biomedical circuits and systems
- Bio-inspired and bio-engineering
- Circuit Design: EDA, test
- Digital circuits and systems
- Linear and Non-linear Circuits
- Low-power low-voltage designs
- Microsystems
- Neural networks
- RF circuits
- Signal, Image and Video

MY AGENDA TO PARTICIPATE

Tutorial proposals
Jun. 30, 2018
Full paper submission
Jun. 30, 2018
July 15, 2018
Notification
Sep. 20, 2018

SUBMIT MY WORK

The technical committee invites authors to submit complete 4-page papers in standard IEEE double-column format, and including references, figures and tables, to clearly present the work, methods, results, originality, significance, superiority and applications of the techniques discussed.
